

CUMBRIA'S
MUSEUM OF
MILITARY LIFE

Volunteering with the Museum in 2018

Can you help? Between 23rd May and 8 July 2018, the Castle is hosting the Weeping Window Poppy sculpture. The site anticipates a huge increase in visitors and we realise many of those will want to visit the Military Museum.

To enhance the visitor experience, we would like at least two volunteers to assist Museum staff every day. Each day will be broken down into three x 3 hour shifts - between 0930 to 1830 hrs – to ensure coverage during the period when we are open. Basic training will be given but ideally we are looking for people who:

- Are comfortable talking to members of the public
- Will help promote the Regimental links to Carlisle Castle
- Will signpost facilities around the site ie café, toilets
- Are security conscious – we have a duty of care to our collections
- Are able to give a minimum of two shifts during the 47 day period (we are open 7 days a week)

Can you help? Please contact Jules on jules.wooding@cmoml.org or phone 01228 532774
